Basic Tactical Medical Instructor Training Program

Allentown, PA, August 6 - 8, 2025

THE FEDERAL LAW ENFORCEMENT TRAINING CENTERS PRESENTS

Basic Tactical Medical Instructor Training Program (BTMITP)

This is a highly intense training program requiring a physical demand on the student and consists of lecture, labs and skill practice. The law enforcement officer will gain knowledge and skills necessary to mitigate the loss of their life or the life of another while in an active threat environment. The skills will address treating life threatening injuries in an austere environment with limited equipment, lack of medically trained personnel and prolonged time to evacuation. Tactical Medical is a systematic approach to dealing with casualties in a tactical environment.
