### Limerick Monitoring, Decontamination, & Mass Care Exercise

The Bi-Annual Federally evaluated exercise for the Limerick Crane Clean Energy Center will be conducted this year (2025) at Southern Lehigh High School. Volunteers are needed to play the role of a victim to simulate they have radiation on their person. **BOTH** volunteers and exercise players / controllers are required to Pre-Register for this exercise on PA Train. A certificate of attendance will be issued through PA Train upon completion of the exercise. Con-Ed Credits will be issued to EMS Providers. Volunteers must be 18 years of age or older.

**DATE:** October 29, 2025

**Time:** Arrive at 1700 hours, exercise begins at 1900 hours. Exercise ends at approx. 2200 hours. Dinner is provided from 1700-1830 hours.

**Location:** Southern Lehigh High School  
5800 Main St, Center Valley PA 18034
