

# Addiction and Connection to Treatment

**Thursday, November 13, 2025 | 9:00AM - 1:00PM**

Salisbury Township Police  
3000 South Pike Avenue, Allentown, PA

Instructor: Bill Burdette

## Training Objectives

- Understand addiction as a chronic disease and learn how stigma impacts the pursuit of treatment
- Become trauma-informed, and use that understanding in interactions with the community
- Identify engagement techniques to use during interventions that encourage connection to treatment

## Course Overview

Module I: Understanding Addiction  
Module II: Understanding Trauma  
Module III: Impact of Stigma  
Module IV: Prevention and Intervention  
Module V: Understanding Treatment  
Module VI: Practical Skills

---

This course is delivered at no-cost through a generous grant from the Pennsylvania Department of Health. Eligible participants may receive continuing education credits where applicable.
