

# Law Enforcement Active Shooter Emergency Response (PER-275)

LSU NCBRT/Academy of Counter-Terrorist Education provides Department of Homeland Security (DHS) certified courses, taught by expert instructors, and will deliver all course materials to your training facility at no-cost to your agency.

## Course Summary

Terrorism involving active shooter attacks on population centers has become part of law enforcement officers' awareness; however, increased awareness of a problem does not ensure preparedness or appropriate response tactics. This course addresses technical aspects of planning and implementing a rapid law enforcement deployment to an active shooter incident through classroom presentations, hands-on performance-based field training, and scenario-based practical exercises.

## Target Audience

The target audience for the **Direct Delivery** version of this course includes:

- State and local law enforcement
- Range instructors
- Firearms instructors
- School resource officers
- Emergency services instructors of first responders
- First-line supervisors of first responders

## Professional Disciplines
