Fire Company Officer 1

Bucks FSC # 0645

Chief Officer Authorization: REQUIRED

Submit via www.lestafire.org/sponsored-class

Course Description

This program will provide the student with the basic knowledge and ability to function safely and effectively as a management component of a fire/rescue organization. Effective management skills and styles will be covered as well as communication models, progressive discipline, philosophy of management, leadership styles, group dynamics, organizational structure, career counseling, Maslow's Theory of Hierarchy, pre-incident planning, scene preservation and investigating techniques, the responsibilities and liabilities of the company officer, and firefighter health and safety. This course is tested to NFPA 1021 Standard, to the Fire Company Officer 1 Level through the ProBoard. Successful completion of the program requires proficiency demonstration in written practical skills and a multiple-choice examination
