Fire and Emergency Services Instructor II (NFPA 1041)

Bucks FSC # 0188

Chief Officer Authorization: **REQUIRED**

Submit via www.lestafire.org/sponsored-class

Course Description

This program will provide the student with knowledge and skills needed to develop organized and effective training programs. The student will develop lesson plans, presentations, and evaluation and assessment tools for a high-hazard training course, as part of this program. This program addresses methodology of teaching and learning, risk management principles and evaluation and testing strategies. This course is tested to NFPA 1041 Standard, to the Fire Service Instructor 2 Level through the Pro Board. Successful completion of the program requires proficiency demonstration in written/delivery practical skills and a multiple-choice examination.

Required Textbook

Fire and Emergency Services Instructor, Ninth Edition, International Fire Service Training Association; Oklahoma.

Required Equipment

Computer with audio/video capability and internet access (for the Course)
Presentation must be completed live with an approved evaluator

Cost

FREE / pp

\$225 for practical test
