Heavy Vehicle Rescue Operations & Problem Solving

Bucks FSC # 1014.003

Chief Officer Authorization: REQUIRED

Submit via www.lestafire.org/sponsored-class

Course Description

The hazards and resource demands for extrication emergencies involving large and heavy vehicles will be reviewed in this course, as well as, vehicle design considerations, weight distribution hazards, payloads, strength points, and special hazard considerations. The course is designed for the experienced rescuer and incorporates various extrication strategies, operational tactics, and situational assessment techniques during integrated exercises. Exercise evaluations will be based on size-up, incident action planning, extrication strategies and tactics, patient packaging and removal, and termination.
